CELEBRATE 35 YEARS OF IMPACT!

In 2026, the **Community Foundation of Southern Indiana** will celebrate 35 years of connecting people, resources, and ideas to strengthen our region. To mark this milestone, we are hosting a special anniversary event on **Thursday, June 11**, at The Vista in Origin Park (Clarksville, IN).

This evening will be a relaxed, meaningful gathering featuring hearty hors d'oeuvres, beverages, and a keynote-style fireside conversation focused on leadership, resilience, and the power of community - featuring **Tori Murden McClure**, the first woman (and first American) to row solo across the Atlantic Ocean. She was also the first American to ski the geographic South Pole and the first woman to climb the Lewis Nunatak in the Antarctic.

To help us celebrate the evening, we are inviting a small group of *Anniversary Partners* to help sponsor the evening's festivities. Your support ensures that this milestone moment reflects the generosity, collaboration, and shared pride that define Southern Indiana.

Sponsorship opportunities range from \$1,000 to \$7,500, with recognition provided in a thoughtful and appropriate way throughout the evening.

We would be honored to have you celebrate this milestone with us.
